TERMS & CONDITIONS

A clear guide to your monthly reels subscription.

01 / PACKAGE & FOOTAGE

- **Monthly allowance:** Both packages include 15 reels per 30-day billing cycle, with a maximum duration of 90 seconds per reel.
- **Client footage:** You provide all raw talking-head clips and any specific personal B-roll through a shared Google Drive folder.
- **Editing scope:** Services follow your selected package. Essential uses client footage only; Creator includes relevant stock B-roll, graphic overlays and memes.

02 / DELIVERY & REVISIONS

- **Delivery time:** Reel delivery is within 48 hours from footage submission.
- **Sequential editing:** Reels are edited and delivered one at a time, in sequence. There is no parallel editing of multiple reels.
- **Revisions:** Two rounds of revisions are included per reel.
- **Music and audio:** Royalty-free background music is used. Trending in-app audio sync is included in the Creator package.

03 / PAYMENT & SUBSCRIPTION

- **Upfront payment:** 100% payment is required at the beginning of each billing cycle before work starts.
- **Use within the cycle:** The 15 allocated reels must be utilized within the 30-day billing cycle. Reels left unedited because of delays in supplying client footage do not carry forward to the following month.
- **Re-activation fee:** A one-time fee of LKR 5,000 applies when restarting after a pause, discontinuation or non-consecutive renewal.
